

GP Out of Hours

NHS Warrington Clinical Commissioning Group (CCG) held a public consultation from 6 June 2016 until 29 July 2016 on proposed changes to the location of the GP Out of Hours service in Warrington. Feedback from the consultation has been overwhelmingly positive and the CCG's Governing Body have now approved the relocation.

Feedback from the public shows that the people of Warrington feel that Bath Street Health and Wellbeing Centre is a better home for the services and that the location will make the service more accessible for people without transport.

GP Out of Hours will relocate from Warrington Hospital to Bath Street Health and Wellbeing Centre, Legh Street, Warrington, WA1 1UG

When will the relocation take place?

The move will be from Wednesday 5th October 2016
